Total Responses

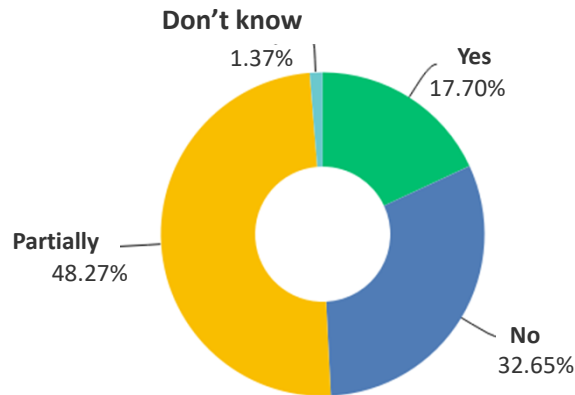

1

Q1: Are you the owner of the dental clinic where you normally work?

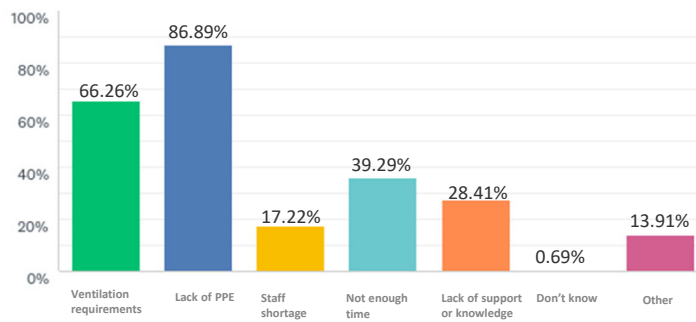

2

Q2: All things considered, do you think you will be ready to safely reopen your clinic for elective treatments starting on June 1?

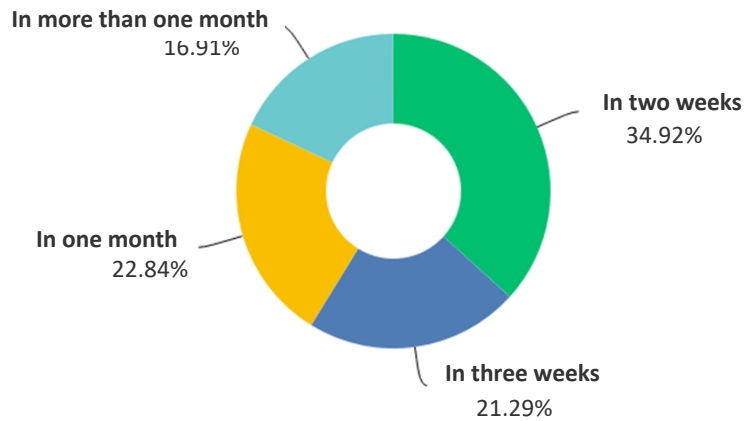

3

Q3: If you answered “no” or “partially” to question 2, why? (you can check off more than one choice)

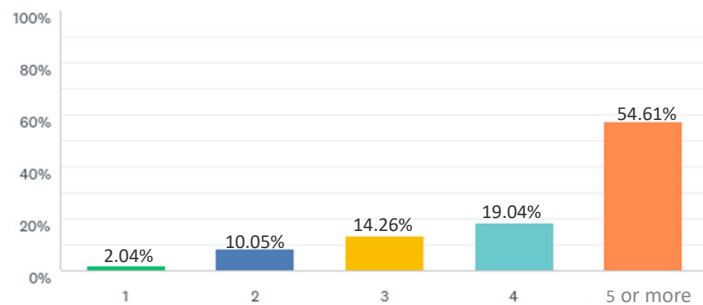

4

Q4: If you answered “no” or “partially” to question 2, when do you think you could be ready to offer elective treatments on a more regular basis?

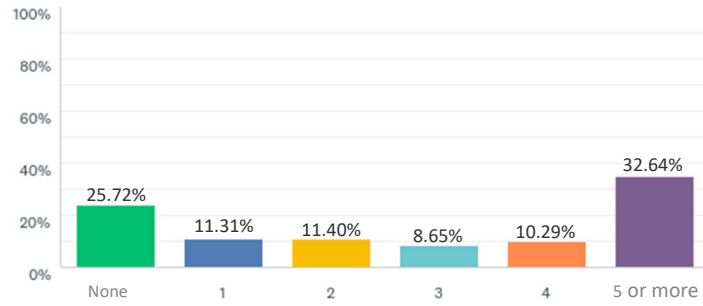

5

Q5: How many treatment rooms does your clinic have?

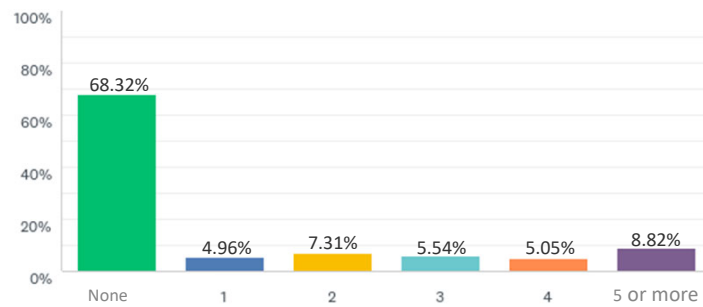

6

Q6: How many of the rooms are completely closed?

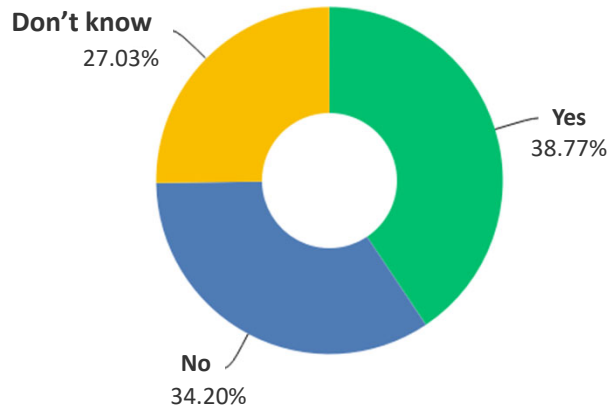

7

Q7: How many have one or more windows that can be opened?

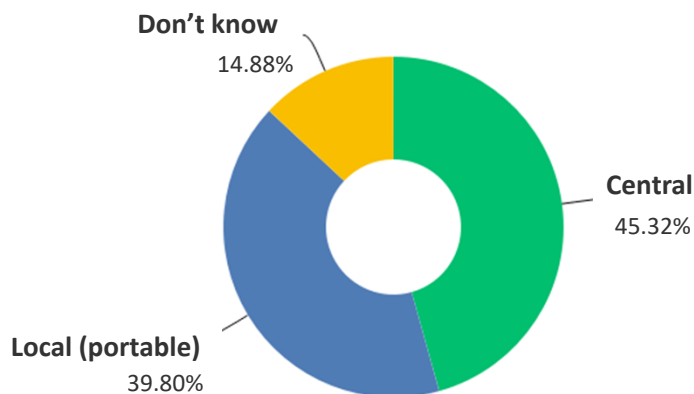

8

Q8: Does your clinic have a ventilation system that meets the requirements described on pages 23 and 24 of the directives intérimaires concernant la pratique professionnelle en clinique dentaire en situation de pandémie (Phase 3)?

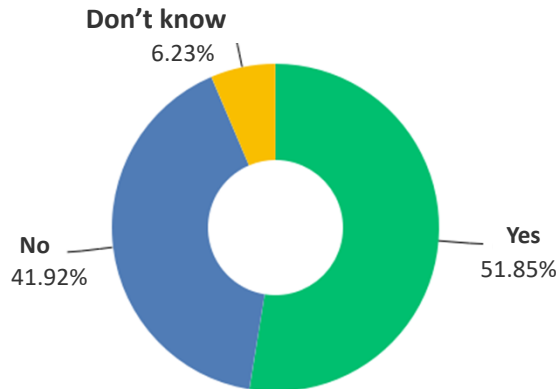

9

Q9: If you answered "yes" to question 8, is the system:

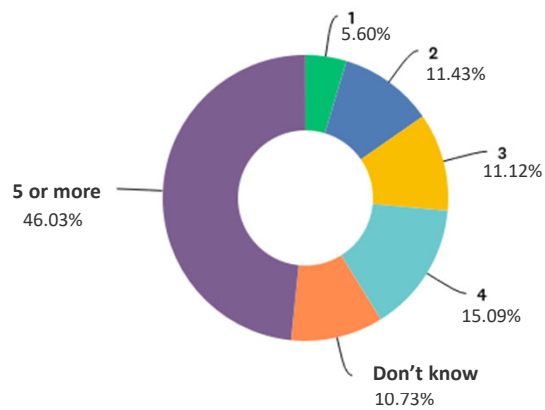

10

Q10: Does your clinic have local (portable) HEPA-type air filtration systems?

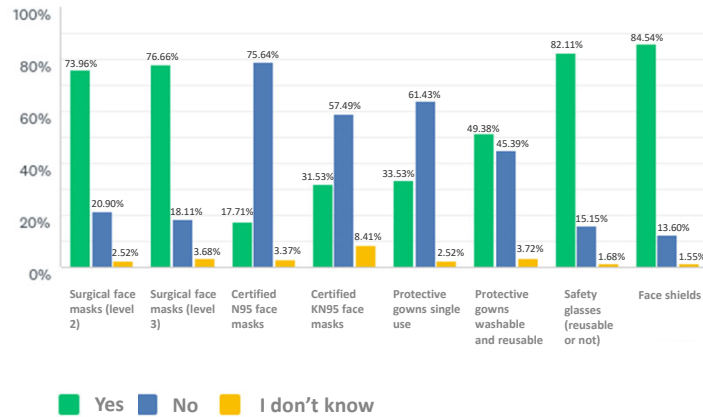

11

Q11: If you answered “yes” to question 10, how many units do you have in your clinic?

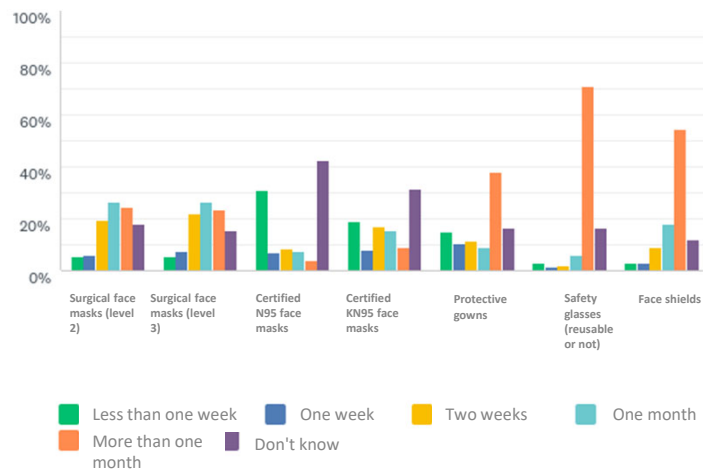

12

Q12: In accordance with the directives intérimaires concernant la pratique professionnelle en clinique dentaire en situation de pandémie (Phase 3), do you have the following personal protective equipment (PPE) in your clinic?

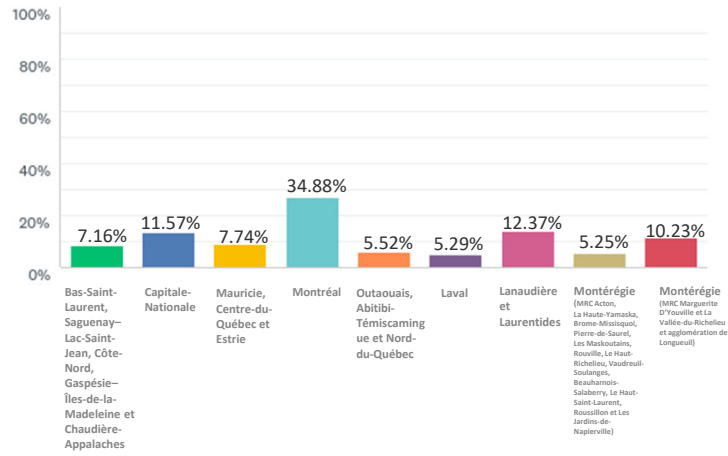

13

Q13: If you do have PPE in your possession, how long do you think your supplies will last (based on the number of employees you have)?

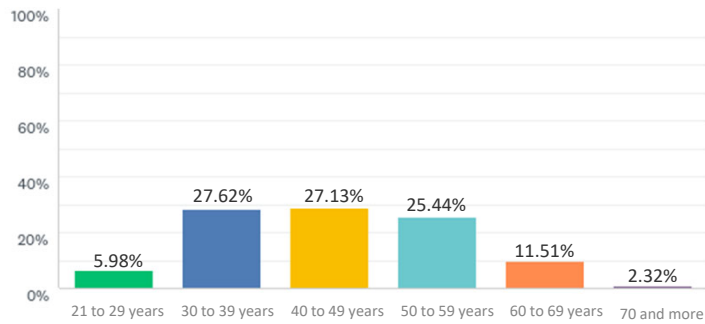

14

Q14: In which administrative region are you?

15

Q15: How old are you?
